SETUP

Fill the base with water or sand. 1

Insert the pole into the base. 2

Hook bottom bar to the front of the base. 3

Place hooks located on pole into the top corners of the graphic. 4

Attach graphic to the bottom bar using hooks on each side. 5

Raise bars holding graphic and raise the pole until graphic is taught horizontally. Lock the latch to hold bar in place. 6

Pull out the left end of the bottom bar and lock latch to tighten the graphic vertically. 7
